The University of Osaka UNESCO Chair Seminar

【Guest Speaker】
Dr. Maria Lohan
Professor, Queen's University Belfast
UNESCO Chair in Gender Equality

【Title】
WHO/HRP research priority-setting exercise on the sexual and reproductive health and rights of young adolescents

Date：April 16th(Thu) 17：00～18：15
Venue：Learning Commons, 2nd Floor, Human Sciences Building, Suita Campus, the University of Osaka
Language：English
Format：Hybrid(on-site and online)

As we begin the new academic year, we are pleased to announce a seminar on the WHO/HRP research priority-setting exercise regarding SRHR (sexual and reproductive health and rights) of young adolescents, by Dr. Maria Lohan. Dr. Lohan specializes in SRHR research, with a particular focus on engaging men and boys in SRHR and gender equality. We warmly invite you to join us.

About registration
- Participation is free of charge
- Online participants are required to register in advance
- On-site participants are also encouraged to register beforehand, but same-day participation is possible.
- Deadline for advance registration: Wednesday, April 15, 13:00
